

**GRAIN**

**Seconds  
furniture**

## Shop our seconds items

Since making the responsible decision to offer furniture in a range of sizes as opposed to creating waste through exact dimension requests, we now have a selection of seconds products which cannot be sold through our website.

We are all about keeping our furniture being used for as long as possible, in your homes and far away from landfill. Buying from our seconds range allows you to do exactly that!

## What's for sale?

We have a selection of tables, benches and desks, all at discounted prices. Click to learn more about each of our products:

- [Brenin dining](#)
- [Brenin bench](#)
- [Brenin desk](#)
- [Birnam stool](#)
- [Highbeach dining](#)
- [Highbeach bench](#)
- Materials: plywood sheets and linoleum

## Our grading system

Each item has been given a grade based on its condition:

Grade	Sample sale discount	Description
A	20% off	Good as new
B	30% off	Minor dent/scratch, minor discolouration
C	40% off	Visible repair, more noticeable scratch/stain

## Finish options

Our Brenin range is available two top choices: a classic oak veneer or coloured Linoleum.

## Delivery

If you would like to visit us in person, we have space for parking and recommend bringing along some blankets or boxes to protect your furniture on it's way to your home.

Alternatively, we can deliver the furniture for you. See below for costs:

**Delivery within zones 1-3 = £25**

**Delivery outside zones 1-3 = £45**

*Note: we will only be able to deliver products and table tops, not materials.*

Our Brenin Dining table has always been a Grain firm favourite, with a simple, elegant form and hard-wearing top options.

The Brenin is made from FSC certified birch plywood, with oak veneer on the underside. Our Brenin comes with two top choices; a classic oak veneer or soft, easy-clean Linoleum.

Slate	180 x 75	£120			54

*\* Anything marked with an asterisk requires new legs and supports to be cut. These product have a two week delivery period. Everything else listed is a full product, ready for immediate delivery.*

The Brenin desk is available in 10cm length increments, so it'll fit perfectly in any workspace. It has a birch plywood core, with an oak veneer laminate. Oak veneer is beautiful, and by using it on most of our products, we help to reduce the demand for natural wood resources. The material offers the beauty of a real wood finish, all whilst using far less precious timber.

Likewise, we've put a lot of thought into our use of linoleum. Not only does it offer a unique, matt surface and a warm, fine texture, but it is recyclable, biodegradable and hard-wearing.
